Michael E. McCauley  
Rosefield Pipeline Company, LLC's  
4200 Research Forest Drive, Suite 230  
The Woodlands, Texas 77381

Reference is made to Rosefield Pipeline Company, LLC's's (Rosefield) Right-of-way (ROW) modification application dated February 12, 2019, and received by this office on February 14, 2019, for Pipeline Segment Number (PSN) 5013, ROW No. OCS-G03717. This application was amended with supplemental data via email dated March 1, 2019.

Specifically, Rosefield requests to temporary decommission PSN 5013 in-place due to the removal of South Pelto Block 13 Platform S. Additionally, Rosefield requests a temporary cessation of operations through January 2020.

The table below describes the pipeline segment pertaining to the aforementioned application:

<b>PSN</b>	<b>Size (NPS)</b>	<b>Length (feet)</b>	<b>Service</b>	<b>Origin</b>	<b>Termination</b>
5013	10"	54,593	Oil	Capped End South Pelto Area Block 13	Platform A South Timbalier Area Block 52

Pursuant to 30 CFR 250.1751 and 30 CFR 250.1000(b) Rosefield's modification request for PSN 5013 is hereby approved. As a reminder, pursuant to 30 CFR 250.1754, if at any time the Regional Supervisor determines that the pipeline decommissioned in-place is an obstruction, it must be removed.

The description of Pipeline ROW OCS- G03717 is updated as follows:

"Pipeline Right-of-way (ROW) OCS- G03717 is a 200-foot wide and approximately 10.34 miles (54,593 feet) long corridor associated with the 10-inch Pipeline Segment No. (PSN) 5013. The purpose of the pipeline ROW- G03717 is to maintain and operate PSN 5013 and to transport oil originating at a capped end in South Pelto Area Block 13, through South Pelto Area Blocks 14, 17, and 16 in the, though South Timbalier Area Block 51 and terminating at Platform A in Block 52, located in the South Timbalier Area."

Additionally, if this pipeline is not returned to service as planned in your application please note that PSN 5013 will be required to be removed due to it being located in a significant sediment resource area.

Pursuant to 30 CFR 250.1000(b), your temporary cessation is hereby approved subject to the following conditions:

1. The annual rental required by 30 CFR 250.1012 shall continue to be due and payable in December of each calendar year.
2. If the associated pipeline has not been returned to service and is not being used for the purpose for which the pipeline right-of-way grant was made by January 31, 2020 the grant shall be deemed to have expired in accordance with 30 CFR 250.1014. As a reminder per 30 CFR 250.1010(h) the right-of-way holder must remove all structure and pipelines along the right-of-way within one (1) year of the effective date of the relinquishment or forfeiture (i.e. expiration). Furthermore, in accordance with 30 CFR 250.1750 thru 250.1754 an application must be submitted to this office to decommission the subject pipeline segment(s) within 30 days from the effective date of the relinquishment or forfeiture (i.e. expiration).
3. If at any time prior to January 31, 2020 it is determined that the use of the associated pipeline is to be permanently discontinued, an application to decommission the pipeline and relinquish the pipeline right-of-way shall be submitted to this office for approval.

As a reminder, pursuant to 30 CFR 250.1753, Rosefield must submit a report to this office within 30 days after the completion of the aforementioned decommissioning operations.

Sincerely,
